

## PREFACE

During the time since the printing of the "The Code of the Town of Hackettstown, New Jersey, 1991", there have been numerous revisions, repeals and additions to the ordinances. The Mayor and Common Council of the Town have ordered the preparation of this publication so that all citizens and officials of the Town will have available to them a clear and comprehensive copy of the ordinances.

Included in this publication are all ordinances adopted as of December 31, 2001 except the Land Development Ordinances, which have been separately codified. Not included, however, are relating to finances and other matters not of interest to the general public.

THOMAS K. THORP  
Town Counsel
